A vibrant nightclub scene with a rainbow light effect and confetti. The image shows a diverse group of people dancing and socializing. A woman in a black and gold patterned dress is in the center, looking towards the camera. To her left, a man in a black tank top is dancing. To her right, a man in a white tank top is holding a drink. In the background, a man in a white t-shirt with 'RAINFOREST NATURAL DEFENSE' is visible. The scene is filled with energy and celebration.

FROM BRAZIL TO EUROPE

AND FROM THE EUROPE TO THE WORLD

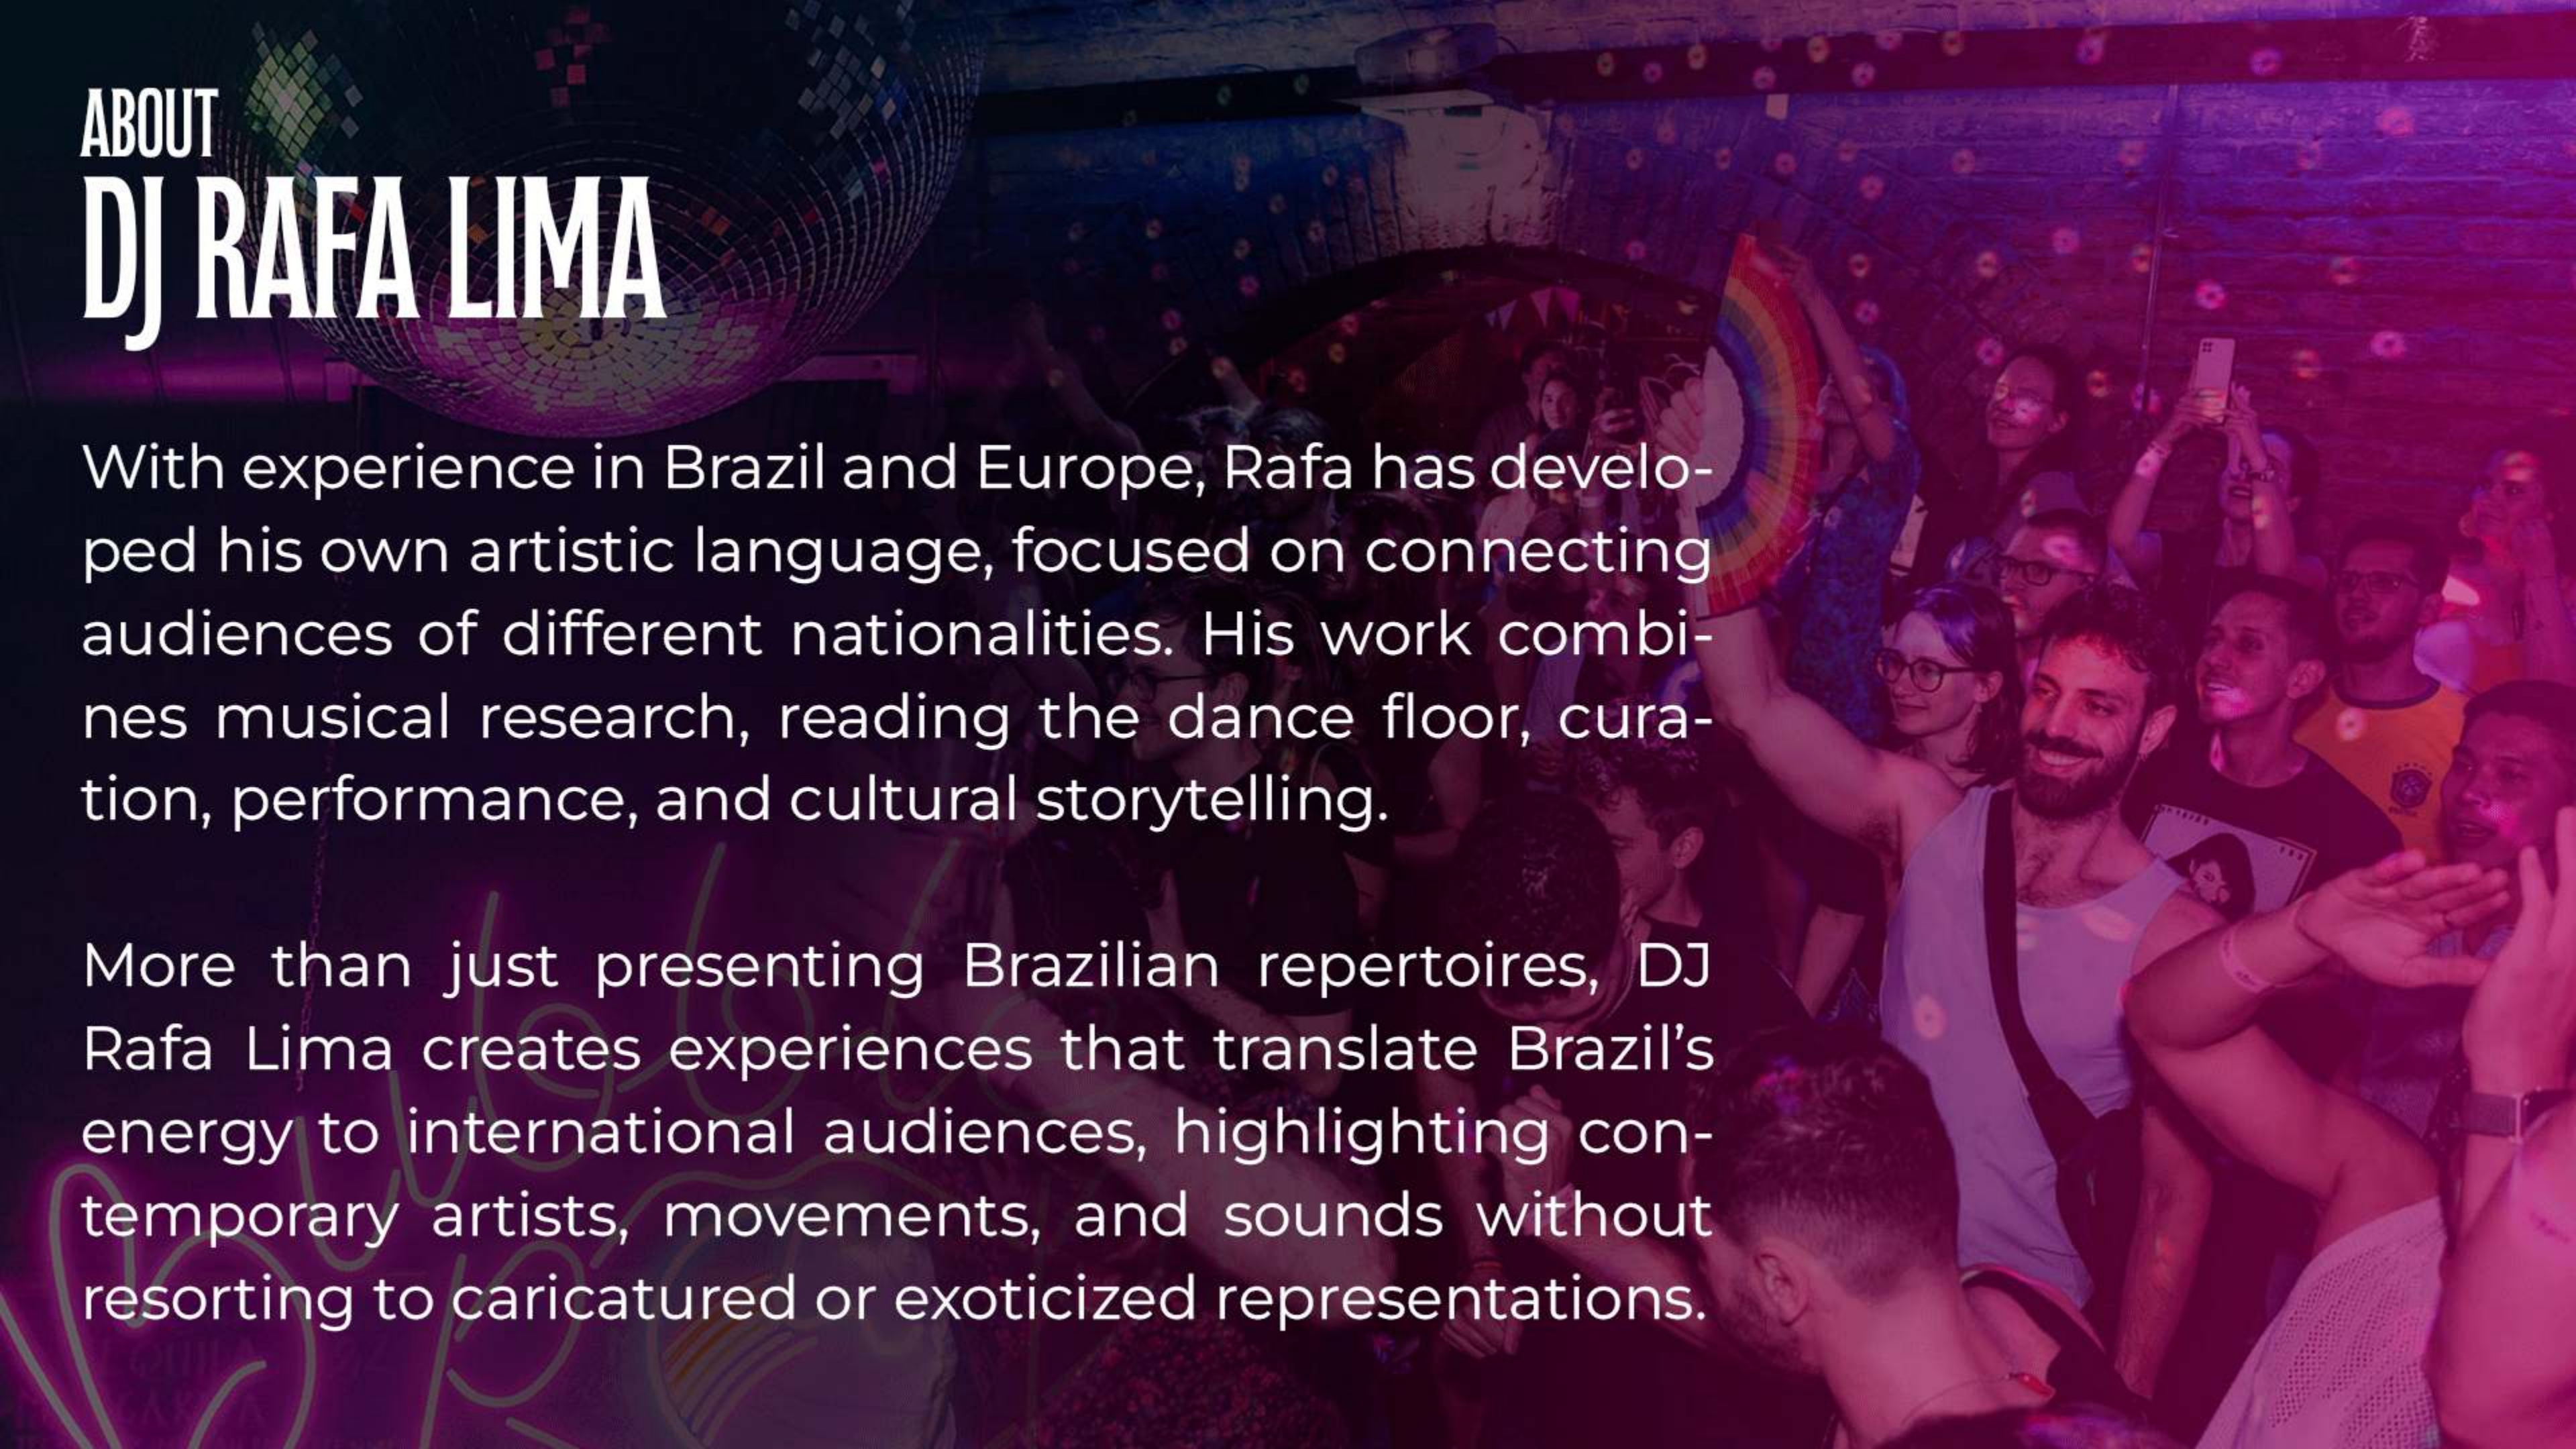

A DJ with a beard and sunglasses, wearing a white t-shirt, is shown from the side, looking down at a DJ mixer. He has large headphones around his neck. The background is a blurred crowd of people at a party or event, with colorful lights and a festive atmosphere. The text is overlaid on the image.

ABOUT DJ RAFA LIMA

With experience in Brazil and Europe, Rafa has developed his own artistic language, focused on connecting audiences of different nationalities. His work combines musical research, reading the dance floor, curation, performance, and cultural storytelling.

More than just presenting Brazilian repertoires, DJ Rafa Lima creates experiences that translate Brazil's energy to international audiences, highlighting contemporary artists, movements, and sounds without resorting to caricatured or exoticized representations.

ARTISTIC IDENTITY

DJ Rafa Lima's repertoire presents Brazilian music in a contemporary, urban, diverse, and international way. Her sets connect Brazil to global pop culture, blending Brazilian funk, pop, brega, queer music, remixes, edits, and Latin American influences.

His artistic approach adapts to different audiences and contexts without losing authenticity. In clubs and at festivals, Rafa can take the crowd on an entirely Brazilian journey or build bridges between global hits and Brazil's new sounds.

DJ Rafa Lima transforms the dance floor into a meeting point between Brazil, Latin America, and the world.
